No. 4 -- COMMUNICATIONS. None.

No. 5 -- APPOINTMENT BY COUNTY EXECUTIVE. None.

No. 6a -- REPORT BY COUNTY EXECUTIVE.

County Executive Hinz asked the Supervisors to look at the 2010 Budget with an open mind. This is his 11th Brown County Budget - 6 as Sheriff, 2 as County Supervisor, and 3 as County Executive. Each Budget becomes more difficult with less revenue sharing, etc.

Executive Hinz stated he respects the County Board's decisions and asked the County Board to respect his.

Mr. Hinz asked the Supervisors to consider the morale of Department Heads when making their decisions. He added Brown County has excellent department heads who deliver valuable services to Brown County residents.

Executive Hinz asked the County Board not to override his veto of the Ordinance to adopt Subsection (3)(e) of 2.03 of the Brown County Code entitled Organization, Policy and Authority of the Brown County Board of Supervisors.

County Executive Hinz is aware that part of today's Budget Hearing includes the elimination of Nan Pahl's position in Human Services. He asked the Board to please allow our new Human

Services Director, Brian Shoup, time to learn the duties of each department, time to evaluate each department's needs prior to eliminating Nan Pahl's position.

No. 6b -- REPORT BY BOARD CHAIRMAN.

Chairman Zima asked County Executive Hinz if he has changed his mind about the cuts in Human Services Programs. (Healthy Family, Golden House, etc.) Executive Hinz said he would wait until today's budget is finished; he would re-look at those positions.

Chairman Zima explained the County Board's options with today's Planning and Land Services budget. He explained that positions can only be added or subtracted from the Budget; not the entire Department.

Mr. Zima thanked Mary Scray for her endless hours working on the 2010 Budget.

Chairman Zima stated he didn't feel the need to maintain \$50,000 on a study for the Information Services Department and did not feel they needed to spend the money for such a study when it can be evaluated in-house.

Mr. Zima encouraged the Supervisors to override the Executive's veto of item #8a. We must keep accountability of the money that isn't specified in the Budget; it should be put in a separate fund.

No. 7 -- OTHER REPORTS. None.

SUBJECT: Sheriff's Department - Accountant

As part of the 2009 organizational effectiveness initiative, Brown County continues to explore shared and centralized services. As part of this initiative, the Accountant position in the Sheriff's Department was evaluated. Discussions were held between Human Resources, Sheriff's Department, and Department of Administration. Additionally, the Accountant tracked his daily duties for a period, which provided the data for the evaluation and supports the recommendation.

This position provides:

- Accounting supports for the Sheriff's Department; assists in the development of the annual budget; assists in the preparation and administration of grants; provides all reports associated with budgets, grants, and other disbursements.
- Oversees and recommends improvements for and monitors cash management, balances and reconciles deposits and payments.
- Prepares internal reports on benefits, expenses, accounts payable and receivables
- Prepares analysis and special reports for proposed staffing changes or new programs.

In addition to providing support for the above mentioned duties, the Accountant position:

- Counts receipts from cash drawers and prepares deposits
- Collects, sorts, alphabetize, photocopy and deliver time cards to payroll
- Maintain department records regarding paid leave and reconcile periodically to payroll records.

The department utilizes this position at the skill and credentials of an accountant infrequently as a resource for compilation of data, and monthly and annually reporting. Other duties brought out as a result of the evaluation can be performed by a position requiring an Associates Degree. The financial system the county has recently implemented will allow for easier access to financial related information and will eliminate the need for the accountant to create and maintain financial spreadsheets at a department level.

Recommendation:

The relocation of the Sheriff's Department Accountant position to the Department of Administration will provide a better value to Brown County by:

- Allow for standardizing of accounting practices, processes, and controls
- Allow for cross training and provide accounting services to other county departments
- Focus on Sheriff's department's duties and requirements, but use the skills/credentials on true accounting duties.

Therefore, Human Resources is recommending the deletion of one (1) FTE Accountant position in the Sheriff's Department Table of Organization and the addition of one (1) FTE Accountant Position in the Department of Administration Table of Organization.

Attached, please find the fiscal impact associated with the above recommendations.

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE
BROWN COUNTY BOARD OF SUPERVISORS
